  This payment plan allows you to pay your tuition fee before you are enrolled in the academy. You get to pay **1200 dollars** before registration ends.

- The **Pay as you earn**
  This is a financial instrument to help you participate in our training for free. You are expected to start repaying the tuition fee of **1500 dollars** once you get a job at the end of the program. Candidates have **18-months** starting from when they get a job to pay

back the tuition fee. This payment plan is governed by a legally binding contract. This contract is bonded by the law firm.

Note that: This payment option requires you bringing **two guarantors** and making a one-time payment for legal fees bonded by the law firm. The **legal fee** cost is a total of #**50,000. Kindly note that this amount is not refundable under any circumstance.**

- Applicants can either **pay in full** or you **pay as you earn.**

- Applicants who opt for the **pay as you earn** plan will be required to sign a legal document at the start of the training.
- Applicants who cannot pay at once will be able to enroll for free following the **pay as you earn** payment plan and pay back the sum of 1500 dollars in 18 months after securing a job following our repayment procedure.
- **Our Repayment Procedure**

  This is how our students are expected to pay us back within **18 months** immediately after securing a job.

  - 1st Repayment Lap (1st - 6th month) - 30% of 1500 dollars

NOTE- This percentage is not from the student's salary. For example, the 30% for the first six months is 30% of 1500 dollars.
